

THE NEW SUZUKI S-CROSS

Strong, high quality SUV style for confident presence

- Powerful and rugged SUV styling, with high ground clearance & high driving position
- 17-inch alloy wheels and large, angular square wheel arches
- Bold, wide yet refined front grille
- Sharp, distinctive 3-point LED headlights and rear combination lights
- Roof rails and integrated rear spoiler

Spacious, comfortable and versatile interior to suit everyone's needs

- Wide, 3-dimensional instrument panel incorporating high quality materials and textures
- High passenger comfort including large legroom for rear passengers and reclining rear seats
- Ample luggage space of 430-litres with rear seats up (665-litres with rear seats folded)
- Plenty of additional storage spaces throughout the cabin

Advanced safety assistance as standard, so you always feel safe when behind the wheel

- Dual Sensor Brake Support
- Blind Spot Monitor & Rear Cross Traffic Alert
- Lane Departure Warning & Lane Departure Prevention
- Traffic Sign Recognition
- eCall

Powerful performance and efficiency

- Strong but efficient 1.4-litre Boosterjet turbocharged engine
- Mild hybrid as standard which keeps fuel costs low, minimises CO₂ emissions and there's no compromise in terms of the way you drive

High level of standard comfort equipment so every drive is a pleasure for you and your passengers

- Smartphone linkage so you can always stay connected via Apple CarPlay & Android Auto
- High-tech 7-inch infotainment display
- Heated front seats and dual zone air conditioning so everyone can ride comfortably
- Front & rear parking sensors
- Rear parking camera supports safe and easy parking

Available models:

- 1.4 Boosterjet Mild Hybrid Motion Manual
- 1.4 Boosterjet Mild Hybrid Motion Auto

3 year/100,000-km warranty (whichever comes first)
3 year's AA UK and European roadside assistance
