

The new EV5

The Kia EV5 brings electric innovation to Ireland's popular C-SUV segment. The EV5 combines bold SUV styling, real-world practicality and cutting-edge technology. With a rugged yet refined design, spacious and flexible cabin, and advanced electric features, the EV5 is engineered to meet the expectations and lifestyles of Irish customers. The EV5 features a boot space of 566 litres and rear flat folding seats that create a generous loading area of up to two metres in length. With a long-range 81.4kWh battery pack as standard the EV5 offers up to 530 kilometres of range on a single charge.

Practicality

Best in class boot space of 566 litres plus a frunk with an additional 44 litres of space

Infotainment

Dual 12.3-inch Integrated panoramic display with 5.3-inch climate control screen

Charging

Charge from 10-80% in 30 minutes with 150kW DC charging.
