

The Kia EV9

Here to reshape the way
we move.

Movement that inspires

Movement that
inspires.

Movement that inspires

We believe in movement that inspires.

Design that makes a statement. Technology that changes the game. The boundary-pushing EV9 is built to enrich your life with new experiences: the bold and rugged exterior and the more sustainable interior are all designed to open a new world of possibilities and pleasure on the road.

Exterior

Stand-out headlamps

Cube LED headlamps with the daytime running lights bring a bold, futuristic aesthetic to the eye-catching front of the GT-Line.

Signature LED tailgate

The clean tailgate body includes hidden wipers and a unique star map lamp graphic to set you apart.

Space for everyone to enjoy

Kia's first ever 3-row EV offers ample space for everyone, with equal comfort in every seat from the first to the third row. And with a roomy boot, you can bring along whatever you need.

Comfort you can configure

You can choose from optional Swivel Seats in the second row (6-seater only), which can be switched around to allow occupants to interact with one another, or Relaxation Seats, available for the first and second row and providing full comfort for you and your passengers.

Interior

An immersive journey for everyone.

Space for everyone to enjoy.

Kia's first ever 3-row EV offers ample space for everyone, with equal comfort in every seat from the first to the third row. And with a roomy trunk, you can bring along whatever you need.

Triple Panorama Display

A long, light, minimalistic dashboard featuring a 12.3" cluster, 5.3" centre display and 12.3" touch infotainment display

Recycled fishing net and PET bottles

Sustainability in mind.

As we move toward more responsible mobility, the EV9 makes sustainability a priority. Interior materials include upcycled and plant-based materials that respect nature and reduce our impact.

Multimedia & Connectivity

Connectivity Features

Triple Panorama Display

Seamlessly connect with the world, and each other, via the Triple Panorama Display. The stand-out screens are big enough for both you and your passengers to see all the essentials, with unique, advanced graphics to emphasise information clearly.

Kia Digital Key

Add even more convenience to your journeys with the Kia Digital Key, which allows you to access and start the car via your smartphone. Store the key in your digital wallet and share with multiple drivers for easy access to the car.

Meridian Premium Sound System

Enjoy the rich sound quality of the Meridian Premium Sound System, which delivers a crisp, clear audio experience for everything from your favourite playlist to your choice of podcast. The Intelli Q feature corrects volume and sound quality as you change speed, making sure your sound is always pitch perfect.

Multimedia & Connectivity	Earth	GT-Line
12.3" Touchscreen Infotainment with Kia Connect	√	√
12.3" Drivers Digital Cluster	√	√
5.3" Climate Control Screen	√	√

Wireless Apple CarPlay and Android Auto with Voice Control	√	√
Wireless Phone Charging Pad	√	√
14-Speaker Meridian Premium Sound System	√	√
Trip Computer - Distance, Energy Consumption, Average Speed	√	√

Connectivity Features

USB Type C Charging

The EV9 makes connectivity a priority for everyone on board, which is why there are plenty of charging ports available. You'll find handy, fast-charging USB-C ports conveniently located from the first to the third row.

Wireless Phone Charger

Staying connected to everything you need is a given in the Kia EV9. Charge your phone conveniently on the wireless charger while you're on the go. The rubber pad will prevent the phone sliding out of your view, and the cooling fan decreases heat during charging.

Kia Connect

Connect your phone with your Kia EV9 using the Kia Connect App and take advantage of all the additional convenience and practical support. On-board services keep you updated on real-time traffic data, nearby charging stations, and plenty of other useful information. Off-board services are just as handy, with remote battery control and Last Mile Navigation, to name just a few.

Multimedia & Connectivity	Earth	GT-Line

1x Luggage Compartment 12V Socket	✓	✓
1x Luggage Compartment 3-Pin Socket	✓	✓
Ecall Emergency Connectivity	✓	✓

Drive Assistance & Safety

Highway assistants

Highway Driving Assist with Hands-on Detection (HDA2)

HDA2 with HoD automatically adapts your target speed to meet the limit, while keeping you at safe distance from the vehicle ahead. The upgraded heads-on detection sensors on the steering wheel detect whether you are touching it, even without movement, and adapt your speed accordingly.

Lane Following Assist 2 (LFA2)

Staying in your lane is now easier than ever. **LFA2** uses a front-view camera to recognise lanes and help to keep your vehicle centred in the right place. If you need help to correct your position, it assists with steering you into place.

Anti-Collision Assistants

Blind-Spot Collision-Avoidance Assist (BCA)

Take the worry out of your blind spots. With **BCA**, you will receive alerts whenever there are vehicles approaching to overtake you, or in our blind spot. If the system detects there is any risk of collision, it will smartly assist with braking your car to avoid it and lead you back into your lane.

Forward Collision-avoidance Assist 2.0

Forward Collision-Avoidance Assist 2.0 gives you added peace of mind and helps you to avoid any potential collisions with pedestrians, cyclists and other cars on the road. If you are not applying the brakes hard enough to avoid a collision, your EV9 will do it automatically.

Driver Assistance Features	Earth	GT-Line
360°Surround View Monitor (SVM)	√	√
Auto-dimming Rear-view Mirror	√	√
Blind-spot Collision Avoidance Assist - Rear (BCA)	√	√
Blind-spot View Monitors (BVM)	√	√
Forward Collision Avoidance Assist 2 (FCA) - City/Pedestrian/Cyclist/Turning	√	√
Driver Attention Warning (DAW)	√	√
Electronic Parking Brake (EPB) With Auto Hold Function	√	√
High Beam Assist (HBA)	√	√
Highway Driving Assist 2 (HDA2)	√	√
In-Cabin Driver Monitoring System	√	√
Intelligent Speed Limit Assist (ISLA)	√	√
Lane Follow Assist 2 (LFA2)	√	√

Anti-Collision Assistants

Rear Cross-Traffic Collision-Avoidance Assist

Back out of a parking space or driveway simply and easily. With the **Rear Cross-Traffic Collision-Avoidance Assist**, you'll get an alert that warns you if cars or pedestrians are passing behind your vehicle. If there's any risk of a collision, the system will automatically brake.

Multi-Collision Brake

The **Multi-Collision Brake** offers added protection and reassurance in the event of a crash. After the initial crash, it helps to prevent any unpredictable movements of your vehicle, thereby helping to mitigate the danger of any secondary crashes.

Driver Assistance Features	Earth	GT-Line
Lane Keep Assist System (LKAS)	√	√
Manual Speed Limit Assist (MSLA)	√	√
Parking Distance Warning Sensors (Reverse, Forward, Side)	√	√
Parking Collision-avoidance Assist 2.0 (PCA 2.0)	-	√
Remote Smart Parking Assist 2.0 (RSPA 2.0)	-	√
Rear Occupant Seat Alert	√	√
Reversing Camera System with Dynamic Guidelines	√	√
Smart Cruise Control 2 with Stop & Go Functionality	√	√
Tyre Pressure Monitoring System (TPMS)	√	√
Smart Power Tailgate with Adjustable Height	√	√
Vehicle-to-Load Adapter	√	√
In-Cabin V2L Plug Socket	√	√

Parking Assistants

Parking Collision-Avoidance Assist, Forward/Side/Reverse

Parking or exiting a space will be no hassle at all, with the **Parking Collision-Avoidance Assist, Forward/Side/Reverse** function, which warns you of pedestrians or objects close to the vehicle.

RSPA 2 (Remote Smart Parking Assist 2)

You'll never need to worry about navigating your vehicle in and out of tight spots again. The **Remote Smart Parking Assist 2** function does the hard work for you - automatically steering you into place and even performing diagonal parking - all at the tap of your smart key.
