

The new K4

The Kia K4 is hatchback designed to meet the demands of modern drivers, offering plenty of interior space, premium features, and advanced technologies. The model introduces an expressive new design and generous exterior dimensions, while its spacious interior offers passengers in the rear class-leading legroom. With its bold aesthetics, spacious flexibility, high-tech features, and performance-focused variants, the K4 is an evolution of other hatchbacks. As customer needs shift toward personalisation and intelligent mobility, the K4 positions itself as a stylish, smart, and connected choice.

Wireless Charging

Technology that allows you to charge and power your devices on the go.
