

The Kia Niro

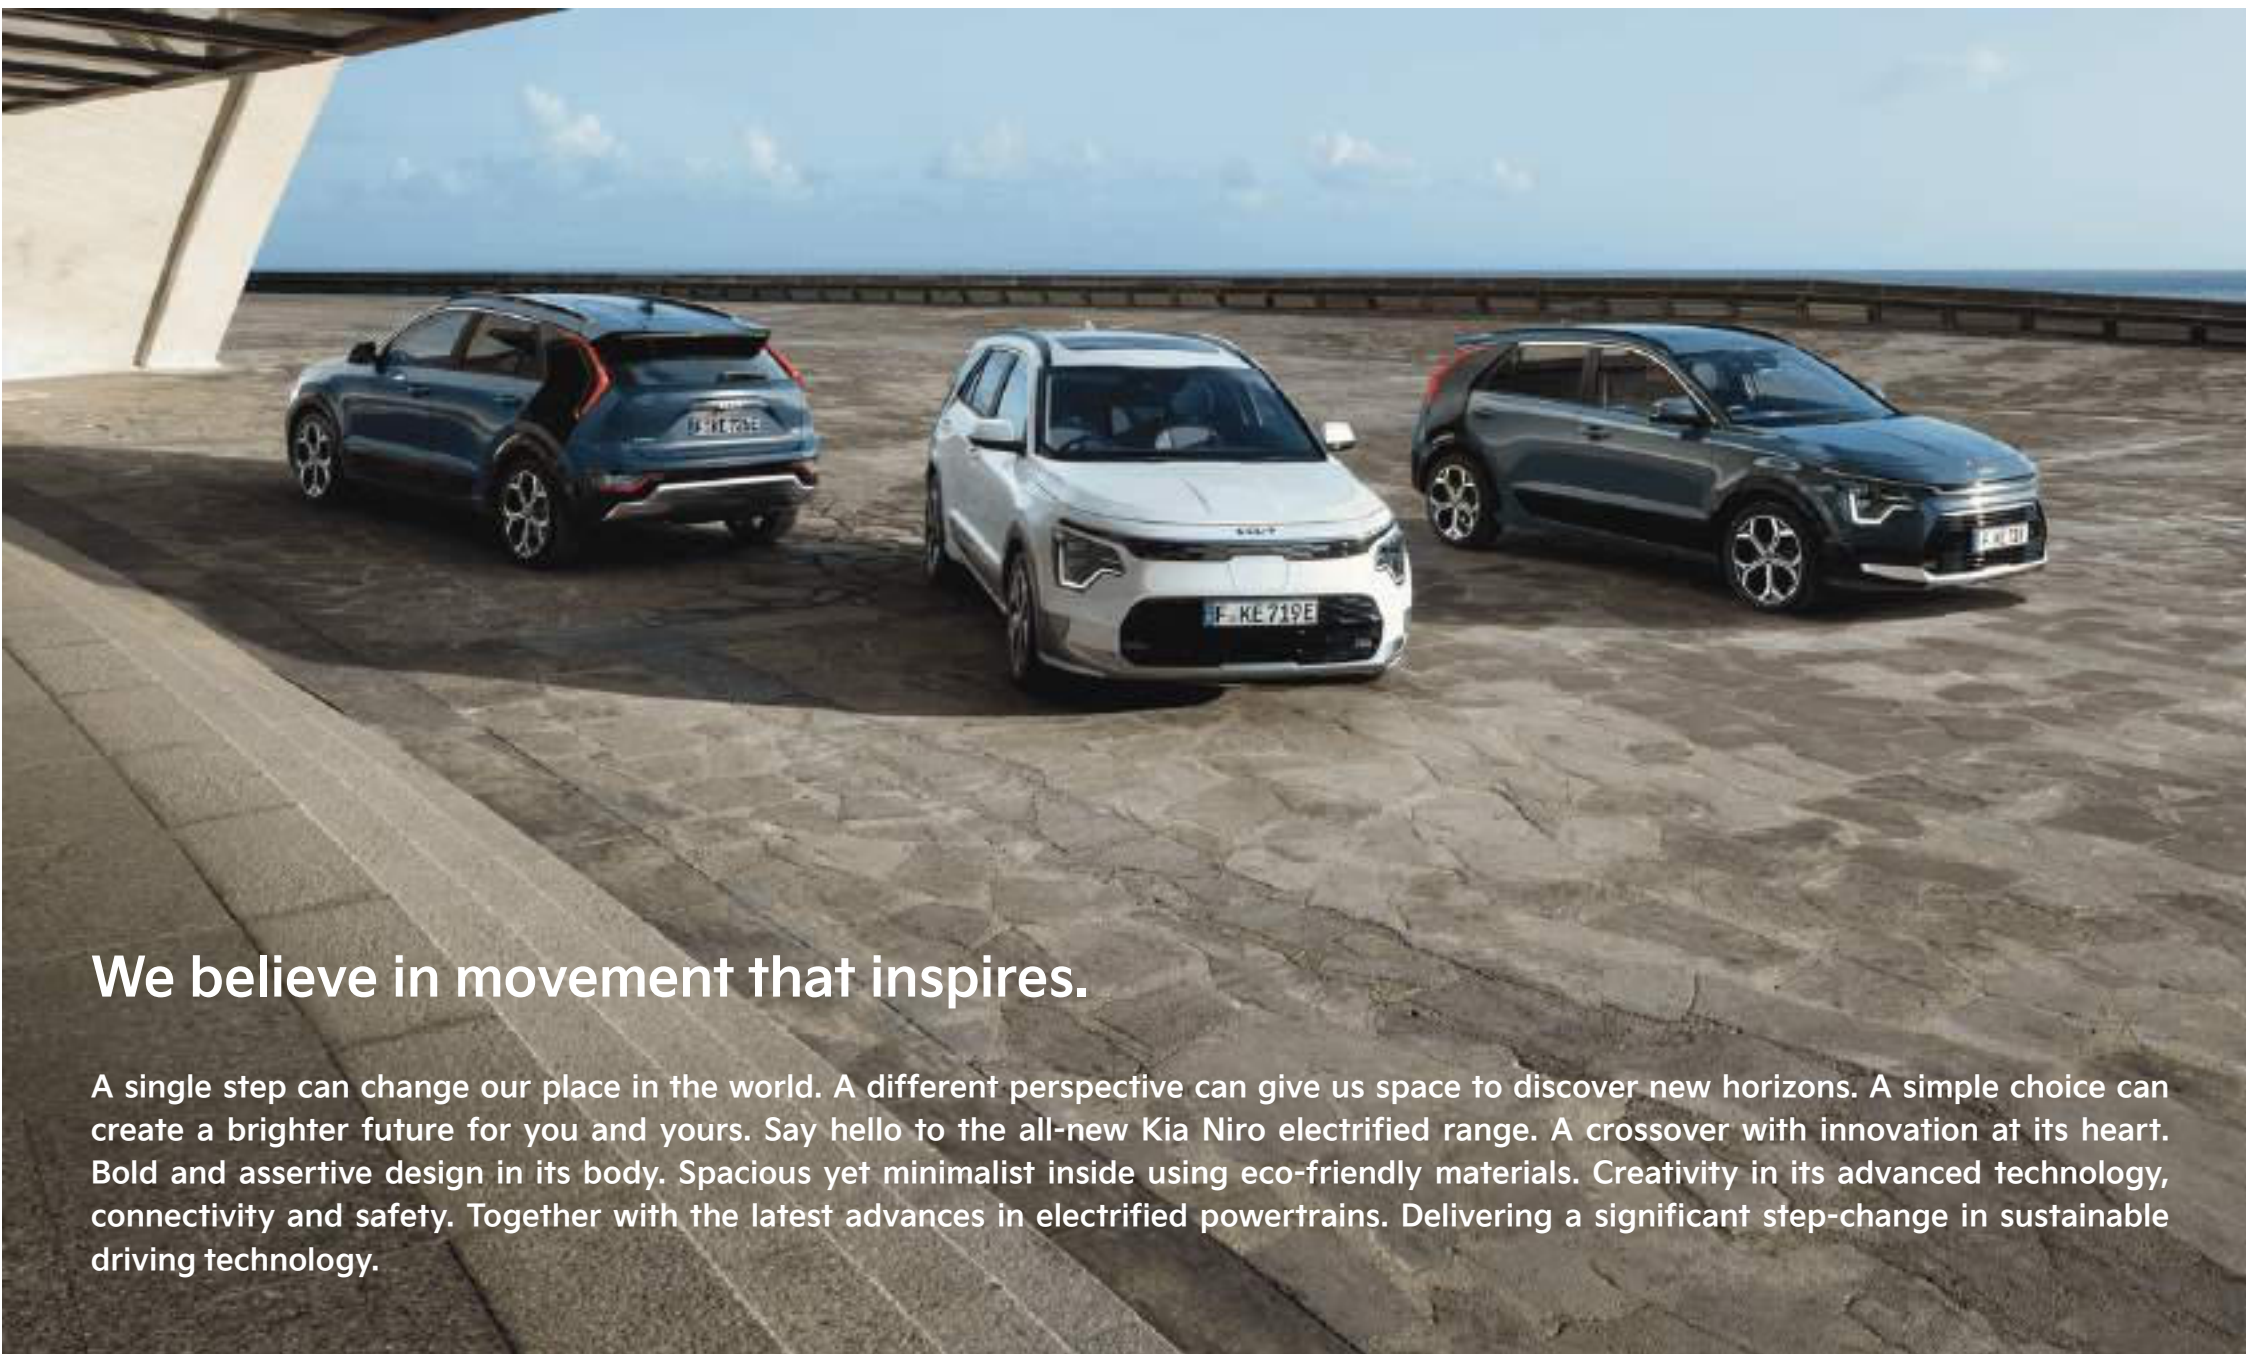

Hybrid & Plug-in Hybrid

Movement that inspires

Movement that inspires.

We believe in movement that inspires.

A single step can change our place in the world. A different perspective can give us space to discover new horizons. A simple choice can create a brighter future for you and yours. Say hello to the all-new Kia Niro electrified range. A crossover with innovation at its heart. Bold and assertive design in its body. Spacious yet minimalist inside using eco-friendly materials. Creativity in its advanced technology, connectivity and safety. Together with the latest advances in electrified powertrains. Delivering a significant step-change in sustainable driving technology.

Exterior

Modern, elevated design.

Rear USB Charge Port x2	√	√
Luggage Area 12V Socket	√	√

Driver Assistance & Safety

Safer, smarter driving.

Blind-Spot Collision-Avoidance Assist. When you signal a lane change, you are warned if a risk of collision is detected with a vehicle beside you or approaching from the rear. The system even interacts with your steering if the risk increases. Blind-Spot Collision-Avoidance Assist also watches out for you when pulling out of parallel parking spaces, warning you about oncoming traffic behind you.

Forward Collision-Avoidance Assist 1.5. FCA 1.5 gives you added peace of mind and helps you to avoid any potential collisions with pedestrians, cyclists and other cars on the road.

Driver Assistance Features	HEV	PHEV
Auto-dimming Rear-view Mirror	✓	✓
Blind-spot Collision Avoidance Assist - Rear (BCA)	✓	✓
