

The Kia PV5 Passenger

Movement that inspires

Movement that inspires.

We believe in movement that inspires.

Design that transforms space into experience. The Kia PV5 Passenger reimagines vehicle design with modular thinking, intuitive comfort, and everyday flexibility blending work, travel, and rest into one seamless space.

Exterior

Make your presence known.

Bold front, clear identity.

Futuristic Tiger Face with a clean upper and robust lower. Signature Star Map lighting flows into the A-pillar for a sleek, extended profile, with easy-to-swap bumper corners for durability and easy service.

Practical lines, smarter access.

A geometric silhouette with an extended cargo area maximises space while maintaining a clean, modern profile. Flat side panels add versatility for business signage, and bold wheel arches express confidence on the road.

Interior

An immersive journey for everyone.

More room, more comfort for families.

With best-in-class 1,330 L behind five seats, PV5 Passenger easily carries strollers, bags, and more. Advanced ADAS helps keep every family trip safe and worry-free.

Smart storage at your finger tips.

The PV5 is packed with loads of smart storage, keeping you and your family ready for every adventure.

Designed around the driver.

A wide view, clear displays, and smart storage keep every drive focused. From the 7.5-inch digital cluster to the 12.9-inch infotainment screen, everything is designed with the driver in mind.

Wide front view for safer driving.

A broad front windshield gives a clear view of the road. Better visibility means fewer blind spots and more confidence in busy city traffic.

Multimedia & Information

PV5

12.9" Infotainment with Kia Connect

✓

7.5" Driver Display Cluster

✓

Charging Port Light

✓

Multi-device Bluetooth® Connection with Voice Recognition & Music Streaming

✓

Wireless Apple CarPlay and Android Auto with Voice Control

✓

Wireless Phone Charging Pad

✓

6 Speaker Audio System

✓

Trip Computer - Distance, Energy Consumption, Average Speed

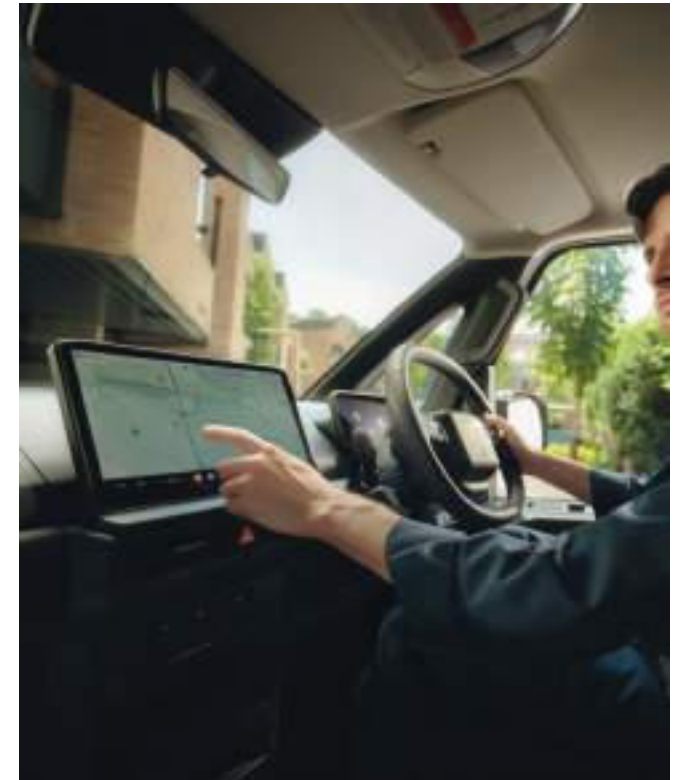

✓

100W USB-C charging. Charge laptops, tools, or devices right from the driver's seat. The 100W USB-C port powers your gear without extra adapters.

Digital Key 2.0. Add even more convenience to your journeys with the Kia Digital Key. It allows you to access and start your PV5 using your smartphone. You can store the key in your digital wallet and share it with multiple drivers for easy access to the car - without having to reach into your pocket for your phone.

16:9 ratio, 12.9-inch screen for clear controls. The large high-resolution display puts navigation, media, and apps in one place. Responsive touch and simple menus keep you connected with less distraction.

✓

Safety

Made for your protection.

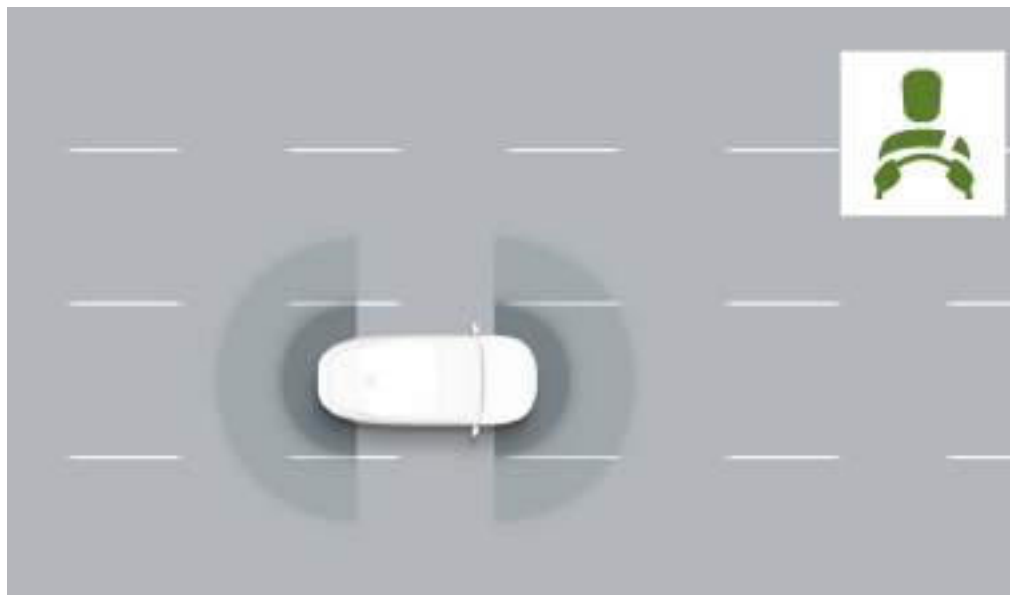

Blind-Spot Collision-Avoidance Assist.

When you signal a lane change, you are warned if a risk of collision is detected with a vehicle beside you or approaching from the rear. The system even interacts with your steering if the risk increases. Blind-Spot Collision-Avoidance Assist also watches out for you when pulling out of parallel parking spaces, warning you about oncoming traffic behind you.

Forward Collision-Avoidance Assist 1.5 .

FCA 1.5 gives you added peace of mind and helps you to avoid any potential collisions with pedestrians, cyclists and other cars on the road. If you are not applying the brakes hard enough to avoid collision, your PV5 will do it automatically.

Smart Cruise Control 2. This technology helps to maintain a safe speed according to road conditions while driving on a motorway. It automatically reduces the speed in sections of motorways with tight curves, in order to keep the driver and passengers safe. And it resumes acceleration to pre-set levels thereafter.

Driver Assistance Features

PV5

360° Surround View Monitor (SVM)

✓

Auto-dimming Rear-view Mirror

✓

Blind-spot Collision Avoidance Assist - Rear (BCA)

✓

Blind-spot View Monitors (BVM)

✓

Forward Collision Avoidance Assist (FCA 1.5) - City/Pedestrian/Cyclist/ Junction

✓

Driver Attention Warning (DAW)

✓

Electronic Parking Brake (EPB) With Auto Hold Function

✓

✓

Intelligent Speed Limit Assist (ISLA)

✓

Lane Follow Assist 2 (LFA2)

✓

Lane Keep Assist System (LKAS)

✓

360 Surround-View Monitors. Surround view from four wide-angle cameras helps drivers stay safe on the road and park with ease.

Lane Following Assist monitors the lane markings and/or vehicles in front on the road, and assists your steering if necessary to help your EV3 centered in its lane. This also features Hands-On Detection (HoD) sensor, which detects if you let go of the steering wheel for several seconds and activates a warning signal to remind you to place your hands back on.
