

The new Kia Stonic

Movement that inspires

Movement that inspires.

We believe in movement that inspires.

We believe in movement that inspires. Design that makes a statement. Technology that redefines expectations. The new Kia Stonic lets you move your own way. Infused with confident design details, seamless tech features and petrol or mild-hybrid options, this urban crossover is built to keep you confident and connected on every drive.

Exterior

Exciting, fresh looks.

Refreshed front design.

With stand-out Star Map lighting, a redesigned grille and bold bumpers, the Stonic's reimagined front design radiates sporty confidence.

Clean, assertive rear stance.

At the back, the Stonic makes just as strong an impression. Distinctive LED taillights, a new skid plate and sculpted bumper lines add a touch of rugged confidence.
