

The new Stonic

The new Kia Stonic, combines class-leading displays, smart connectivity and comprehensive safety systems with transformative design and practicality, raising the standard for compact crossovers. Guided by Kia's 'Opposites United' design philosophy, the new Stonic embodies a stronger, more expressive character. While maintaining its compact dimensions, it introduces a refreshed front fascia featuring Kia's Star Map Signature Lighting, a sharper more structured grille, and a striking, updated front and rear bumper design.
