

# The Xceed & Ceed

Movement that inspires

# Energise ... your independence

**XCEED**  
plug-in hybrid

Being open to the city, open to adventure and open to endless possibilities means the new Kia Xceed Plug-in Hybrid offers the best of all worlds. Combining eye-catching design with eco-friendly driving through its advanced electrified powertrain, the Xceed Plug-in Hybrid maximises hybrid technology, resulting in lower emissions. What's more, with its sporty yet spacious new body shape with integrated charging port, you need never sacrifice style or versatility. Stand back and admire its Z-shaped Ice-Cube LED headlamp design and diamond-patterned grille, its sporty 18" dual-tone alloy wheels, and the refined, high-quality and spacious interior. This is a crossover designed to amaze you, as well as to surprise and delight everyone with you.

**eco** plug-in

eco plug-in

# Electrify ... your drive

The new XCeed Plug-in Hybrid takes the electric-driving experience to the next level. Featuring our most advanced powertrain, it perfectly balances efficiency with dynamic driving, delivering a fast and smooth transition from electric to hybrid (petrol/electricity) operation; plus, with a full, 100%-charged battery offering a range of over 50 km, you can be sure that every drive you make is as eco-friendly as possible. What's more, you'll find a whole host of added features to make your electric-driving experience as easy and fulfilling as you could possibly desire.

## Plug-in Hybrid

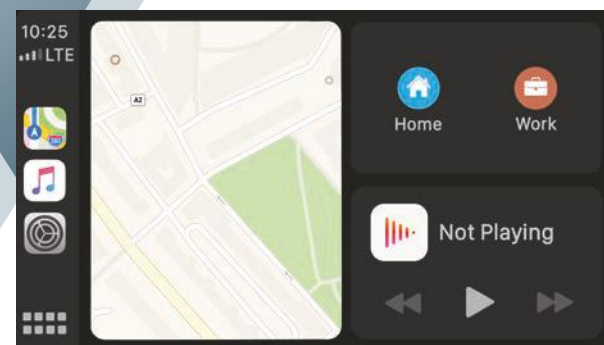

### Charging Port

Enjoy the convenience of easy charging via a household socket or a public charging station. The new Kia XCeed Plug-in Hybrid is able to recharge the battery (up to 100%) at a public charging station in approximately 2 hours 15 minutes.

### 4.2" LCD Cluster

The slick Supervision Cluster with a large 4.2" LCD screen delivers precision information about the details of your trip.

### 8" Infotainment Touchscreen

The easy-to-use 8" colour TFT LCD touch-screen audio system includes useful features such as control of Digital Audio Broadcast (DAB), smartphone connectivity with Android Auto® and Apple CarPlay®, as well as a display for the rear-view camera.

### Charging Indicator

Cleverly embedded within the speaker grille in the middle of the dashboard, when you plug in for charging, 3 LED lights tell you the charging status and battery level. Easily visible from outside the vehicle, the indicator is ideal for knowing the charging status of your battery at a glance.

Power...  
into the future.

ECO plug-in

From the moment you see the Ceed Sportwagon Plug-in Hybrid (PHEV), you know you're looking at the best of both worlds – combining dynamic and eye-catching design with a spacious and practical interior, plus the added advantage of Kia's eco-friendly electrified powertrain. From its standout front grille down its sleek-silhouette body shape to its bold rear bumper design with LED rear lamps, this is a car designed to make itself known. And thanks to Kia's advanced electrified powertrain, which balances smooth transmission from petrol to electric, you can enjoy a greener journey in pure comfort. And when it needs charging at home via a household plug or at a public charging station, simply plug into the integrated charging port on the left-hand side and 2 hours 15 minutes later, you'll be fully charged.

INTERIOR

# Energise... your drive.

The new Ceed SW Plug-in Hybrid takes the electric-driving experience to the next level. Featuring our most advanced powertrain, it perfectly balances efficiency with dynamic driving, delivering a fast and smooth transition from electric to hybrid (petrol/electricity) operation; plus, with a full, 100%-charged battery offering a range of over 50 km, you can be sure that every drive you make is as eco-friendly as possible. What's more, inside the comfortable, practical and refined interior, you'll find a whole host of added technology features to make your electric-driving experience as easy and fulfilling as you could possibly desire.

Host of added technology features to make your electric-driving experience as easy and fulfilling as you could possibly desire. (Picture may show some equipment not standard in Ireland. Please check detailed spec on [kia.com](http://kia.com) or at your local Kia dealer.)

VERSATILITY

# Make room... for more of you.

The new Kia Ceed Sportswagon PHEV not only offers more room for everyone on board – in fact its luggage capacity ranks amongst the best in the segment – it's also an expert at making space work for you. Whether it's the one-touch folding rear seats, or well placed luggage compartments – this Ceed is packed with ideas that take you further.

## 60:40 flat folding seats

Thanks to the split folding seats, the Sportswagon adapts to your needs – great for transporting sports equipment or other long items.

## Boot space

With the rear seats folded, you'll enjoy 1,506 litres of luggage space. There are also two underfloor storage compartments to maximise your luggage area. A handy range of hooks and luggage nets help you keep your belongings secure and organised. Plus, a storage area under the boot cover can keep smaller items away from prying eyes.

CONNECTIVITY

# Stay tuned to your world.

On the move, yet always connected. In the new Kia Ceed, technology is simply effortless. You can manage functions with integrated voice recognition, and use Bluetooth for all your music and calls thanks to its smartphone compatibility.

## Smartphone Compatibility

Turn your car into an extension of your phone, and have access to features like voice control, maps, calls, messages, music and podcasts!

### androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Ceed's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

Smartphone with data plan required to activate services. Legal restrictions to these services may apply depending on country usage.

## Wireless Phone Charger

Forget cables, just place your smartphone with Qi technology on the convenient Wireless Phone Charger.

SAFETY AND ASSISTANCE

# Protect yourself with advanced features.

Peace of mind is key to enjoying your ride. That’s why the new Kia Ceed comes with innovative features and sophisticated technology to keep you and your passengers as safe as possible.

## High Beam Assist (HBA)

When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers. Once the car has passed, the high beam is automatically switched back on.

## Rear-view camera

The Rear-view camera gives you the full picture when reversing into a parking spot by displaying dynamic guidelines on the navigation system screen to help guide you into place.

## Lane Keeping Assist (LKAS)

No need to worry about drifting out of your lane. The Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even steer the car back into your lane.

## Forward Collision-Avoidance Assist (FCA)

The FCA system can detect preceding vehicles as standard and pedestrians crossing the road. Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with optional pedestrian detection, the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to avoid or mitigate an accident.

## Driver Attention Warning (DAW)

The system detects whether you’re losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you with a warning sound and a coffee cup symbol in the cluster.

The stated values for fuel consumption and CO2 emissions are measured according to the Worldwide Harmonized Light Vehicle Test Procedure (WLTP) in accordance with Regulation (EC) No 715/2007 in the version valid for the type-approval of the relevant vehicle model. Under normal circumstances, consumption figures may deviate due to, among other things, driving style, speed, use of comfort / auxiliary consumers, outside temperature, number of passengers / luggage and topographical conditions. Brochure includes information available at time of going to print.

# All Peace of mind you'll need

## 7-year vehicle warranty

This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

## 5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

## Stay in touch with Kia

Visit [www.kia.com](http://www.kia.com) for all the latest news and product launches. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, and discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal. Here in Ireland, Kia is a proud sponsor of The Kia Race Series.

## Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

## Care-3

Our Care-3 plan means looking after your new Kia is a piece of cake. In order to keep your new Kia running like new, it has to be serviced every year. Now imagine having all the servicing your new Kia will need for the next three years sorted and paid for, in advance, and at a competitive price. Introducing Kia Care-3, the easy way to look after your new Kia, and protect your 7 year warranty

## Battery units

Kia high voltage lithium ion battery-units in electric vehicles (EV), hybrid electric vehicles (HEV) and plug-in hybrid electric vehicles (PHEV) are built to have a long life. These batteries are covered by the KIA warranty for a period of 7 years from initial registration or 150,000 km, whichever comes first. For low voltage batteries (48V and 12V) in mild-hybrid electric vehicles (MHEV), the Kia warranty covers a period of 2 years from initial registration regardless of mileage. For EVs and PHEVs only, Kia guarantees a 70% capacity of the battery. Capacity reduction of the battery in HEV and MHEV is not covered by the warranty. To minimize possible capacity reduction, consult the Owner's Manual.

## The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar).

Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.

All information and specifications are correct at the time of printing and are subject to change without notification. However some of the models and features shown in this brochure may vary from the models and equipment available here in Ireland. Please consult with your dealer to ensure that the vehicle you order has the specification you require. Due to the limits of the printing process, the car body colours shown may differ slightly from actual colours.
