The Power to Surprise

The 2020 Kia  
**SPORTAGE**

The background of the entire page is a high-angle, wide shot of a rugged coastline. On the left, a sandy beach meets the ocean with gentle waves. A concrete sea wall runs along the shore. To the right, a steep, grassy cliffside descends towards the beach. A paved road with a white guardrail curves along the edge of the cliff. The sky is a clear, pale blue. Overlaid on the upper right portion of the image is a large, red, rounded rectangular shape that serves as a container for text.

Exterior design

# Striking. Regardless of the backdrop.

The stunning Kia Sportage manages to stand out no matter where you are. Whether you're zipping through the city or making your way off the beaten track, cruising the open road or parked right at home, the Sportage is the perfect combination of sportiness and style. Designed and produced in Europe, with distinctive, innovative design and truly striking features, the Sportage offers you pure refinement for every adventure you can think of.

Exterior design

## Refinement redefined.

You'll make a statement in the eye-catching Kia Sportage – without saying a word. The distinctive exterior design features a commanding side profile, a muscular stance and a bold front and rear design. The sculpted front bonnet with the Kia signature grille gives the Sportage an unmistakably sporty appearance. And to round things off, touches like the sweeping rear lights add sleek style.

A black and white photograph of the interior of a Kia Sportage. The image shows the driver's side, including the steering wheel, dashboard, center console with a gear shifter, and the front passenger seat. The interior features a mix of dark and light-colored materials, with a focus on ergonomics and design. A large red graphic overlay is positioned on the left side of the image, containing text.

Interior design and quality

# You won't just see the difference. You'll feel it.

You'll want to be very hands-on in the Kia Sportage.

Full of soft-touch materials, high-end finishes and the utmost attention to every detail, the interior of the Kia Sportage is just as comfortable as you'd imagine. From the stylish seats to the use of premium quality materials throughout the cabin, there's no shortage of features to make you feel right at home. The ergonomic cockpit is fully oriented towards the driver – with everything perfectly placed for you to use or view with ease. While the upper part of the dashboard offers a convenient eye-level display zone, the lower, easy-to-reach command zone puts everything you need within reach. It's a beautiful mix of innovation, comfort and world-class design. Interior shown here is from the K3, the K2 features a black cloth upholstery.

## Connectivity

# Connect, click and enjoy.

There's no need to worry about staying in the loop, because the Kia Sportage is full of ways to stay connected and entertained. Thanks to Bluetooth®, you'll never have to miss a call – or your favourite tunes.

But the Sportage doesn't stop there.

The Navigation System keeps you on the right track. And clever connection points make sure your favourite devices are never out of reach.

## 7 Year Map Update

As part of our extensive quality promise, all new Kia vehicles factory-fitted with an LG navigation device are entitled to 6 free annual map updates at the service point. This unique programme ensures your navigation system is always up to date.

Kia's Connected Services

# Where? When? How? The answer is here.

Our new navigation system with Kia's Connected Services powered by TomTom Live Services takes reliable route guidance to the next level of accuracy and excellence. It keeps you in touch with the outside world and offers more handy information than ever. At the heart is a WiFi unit that enables the Sportage navigation system to connect to the Internet through your smartphone.\*

## 1. Live Traffic\*\*:

The navigation system delivers highly accurate live traffic information that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

## 2. Speed Cameras\*\*:

You'll also be alerted to a whole range of speed cameras, including fixed and stationary ones, as well as restricted access zones. The system can even take into account areas where accidents are particularly common, and warn you about these accident black spots.

## 3. Local Search:

If you're looking for a sushi restaurant, a supermarket or a particular place to meet, simply select Local Search. The database contains 500 searchable categories, 25,000 keywords and 250,000 places to ensure you find what you need.

## 4. Weather forecast:

Is your weekend away going to be sunny or a wash-out? Better check the weather forecast. Just type in your destination to view a four-day summary, complete with minimum and maximum temperatures, wind speed and chances of sun or rain.

## 5. Parking information:

To help you park your car swiftly, the system will indicate parking areas before you arrive at your destination. It will show potential on-street parking spaces based on historic data, and off-street parking with colour-coded availability.

## 6. Fuel info:

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom online database, so you can plan your refuelling stops accordingly.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Sportage's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music, and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Dynamics and capabilities

## You might want to take a trip. Or twenty.

There's nothing quite like setting off on an adventure.

And in the Kia Sportage, you'll want to find any excuse at all to get out onto the road. That's because the Sportage was built to give you full freedom and control, no matter where you go.

Thanks to the innovative Rack-mounted Motor Driven Power Steering, you'll enjoy an even more refined drive – with smoother steering, better handling stability and direct driver response.

1. Hill Start Assist Control takes the hassle out of starting on an incline, by preventing you from rolling backwards.
2. Downhill Brake Control helps keep you nice and steady – and at a stable speed during steep descents.

1. For maximum versatility and flexibility, the convenient folding rear seats split 60:40.
2. The spacious trunk is versatile, flexible and roomy with all seats in place. With the rear seats folded down, it offers an astonishing 1,469 litres of load capacity.

Versatility and spaciousness

## Plenty of space to enjoy – and share.

Because journeys are even more fun when they're shared, the Kia Sportage gives you loads of room to enjoy. The uniquely configured cabin makes things just as comfy for your passengers as for yourself. In fact, with such spacious dimensions and reclining rear seats, every seat will feel like the best one. To give you the flexibility to use your space however you choose, the Sportage's seats are also able to move and fold to create an almost flat floor. You'll always have ample room to bring a crowd along for the ride.

## Engines

# Smart diesel engines. Clever technologies.

The 2020 Kia Sportage engine line-up impresses with remarkable performance, efficiency and innovative technology, including the latest diesel 48V mild-hybrid power train. Designed to fit seamlessly into your life, it offers low-emission driving with no plug-in recharging required.

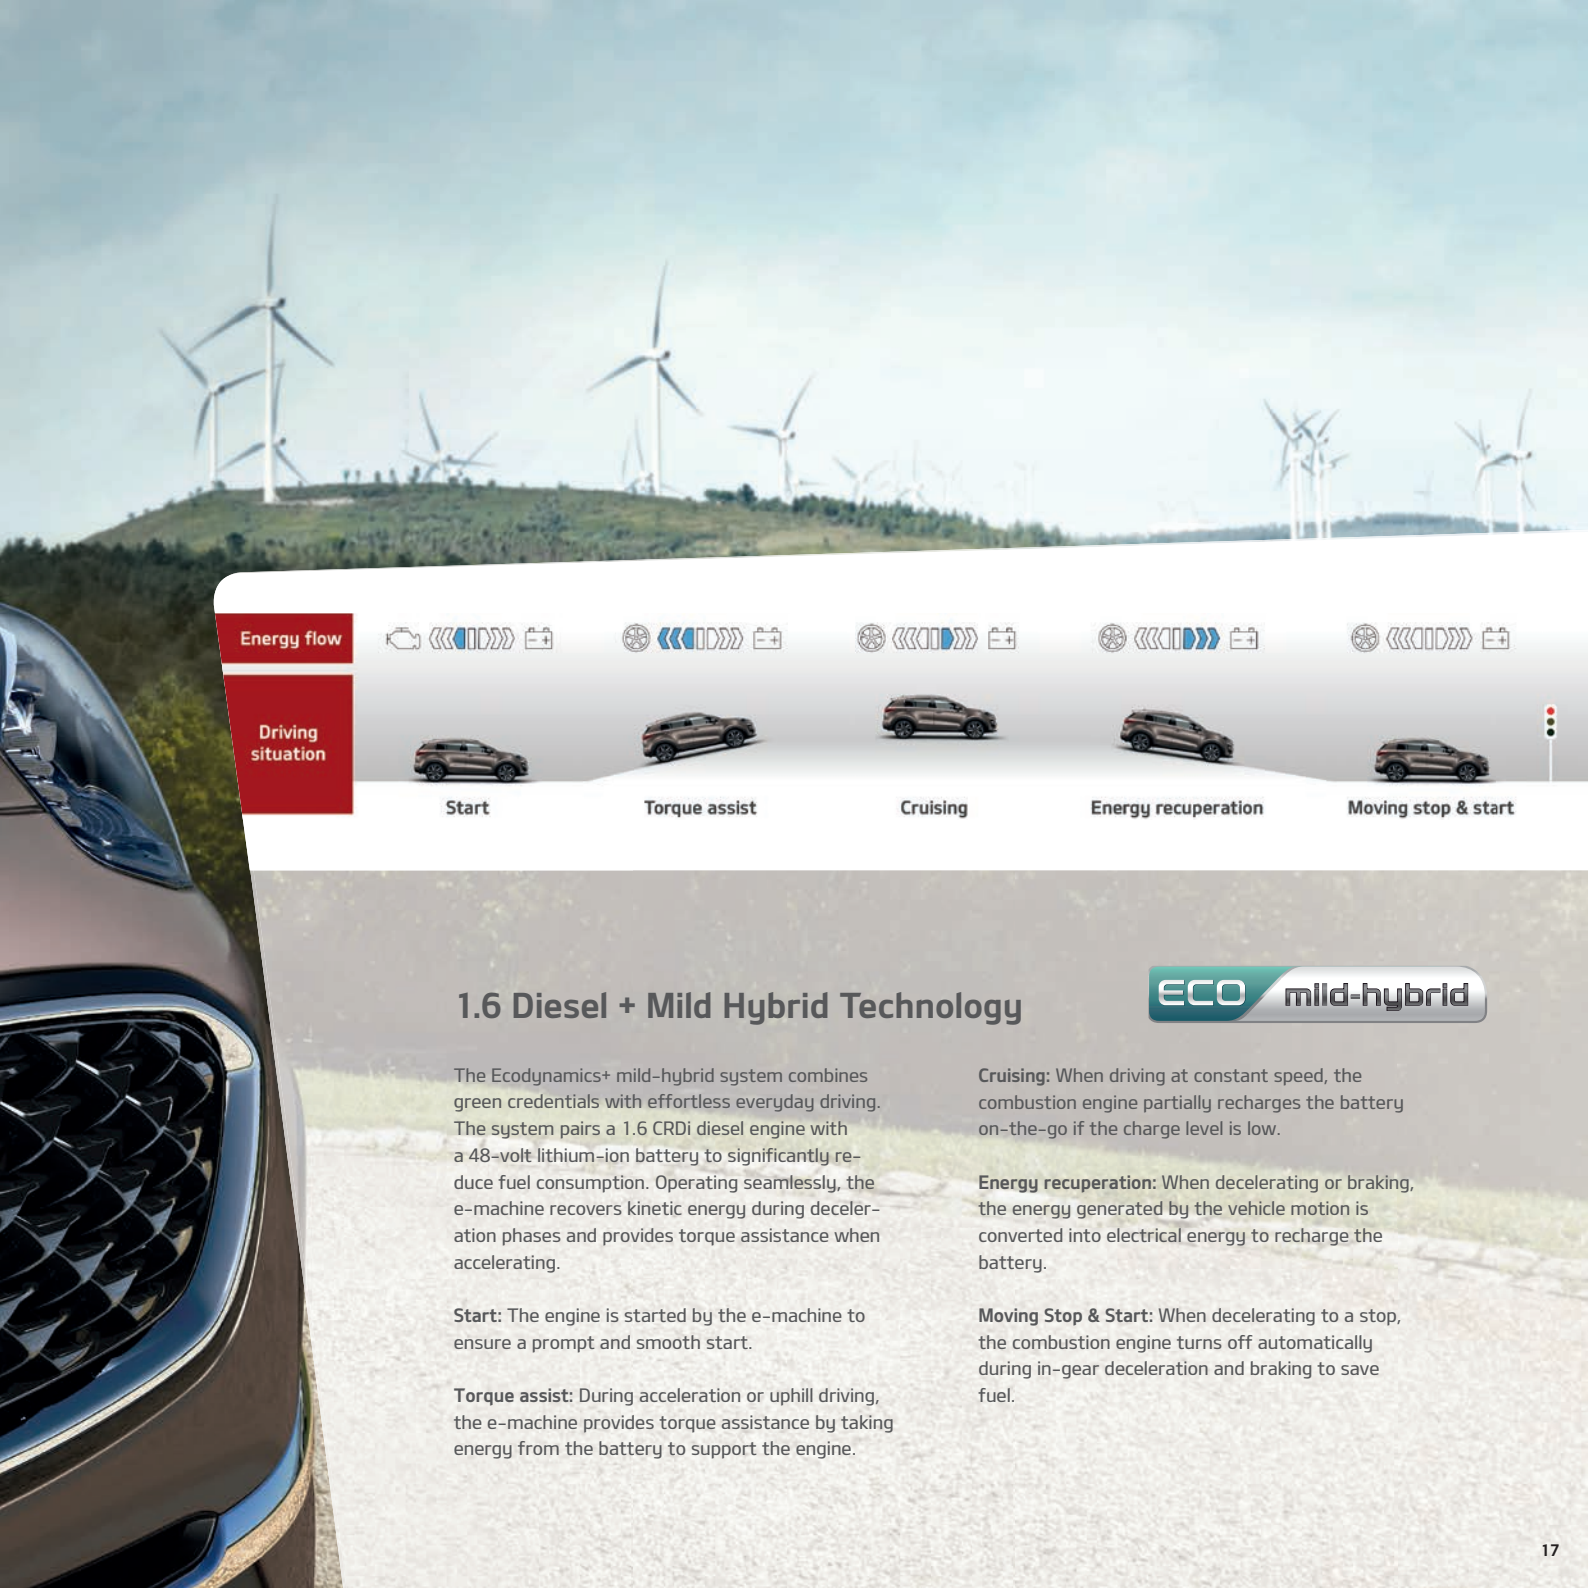

### 1./2. Transmission

For quick, smooth gear changes, choose Kia's latest 6-speed manual transmission technology. Or opt for the latest generation 7-speed dual-clutch transmission for sporty driving paired with fuel efficiency.

## 1.6 Diesel + Mild Hybrid Technology

ECO mild-hybrid

The Ecodynamics+ mild-hybrid system combines green credentials with effortless everyday driving. The system pairs a 1.6 CRDi diesel engine with a 48-volt lithium-ion battery to significantly reduce fuel consumption. Operating seamlessly, the e-machine recovers kinetic energy during deceleration phases and provides torque assistance when accelerating.

**Start:** The engine is started by the e-machine to ensure a prompt and smooth start.

**Torque assist:** During acceleration or uphill driving, the e-machine provides torque assistance by taking energy from the battery to support the engine.

**Cruising:** When driving at constant speed, the combustion engine partially recharges the battery on-the-go if the charge level is low.

**Energy recuperation:** When decelerating or braking, the energy generated by the vehicle motion is converted into electrical energy to recharge the battery.

**Moving Stop & Start:** When decelerating to a stop, the combustion engine turns off automatically during in-gear deceleration and braking to save fuel.

#### The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.

#### Peace of mind

## Even more peace of mind.

#### 7-year vehicle warranty

Every Kia benefits from a 7-year/150,000 km new car warranty. This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

#### 5-year paint warranty &

#### 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

### **Battery units**

For low voltage batteries (48 V and 12 V) in mild-hybrid electric vehicles (MHEV), the Kia warranty covers a period of 2 years from initial registration regardless of mileage. Capacity reduction of the battery in MHEV is not covered by the warranty. To minimize possible capacity reduction, consult the Owner's Manual.

### **Care-3**

Our Care-3 plan means looking after your new Kia is a piece of cake. In order to keep your new Kia running like new, it has to be serviced every year. Now imagine having all the servicing your new Kia will need for the next three years sorted and paid for, in advance, and at a competitive price. Introducing Kia Care-3, the easy way to look after your new Kia, and protect your 7 year warranty.
